WELCOME TO THE CITY OF LANCASTER

A compact city of seven square miles and over 60,000 residents, Lancaster City is located within driving distance of Washington D.C., Baltimore, Philadelphia, and New York. Lancaster is about much more than our geographic location, but a growing, vibrant urban center where historic preservation and a cutting-edge arts scene live and thrive side by side; a city of neighborhoods that are safe and welcoming; a city that encourages entrepreneurship and investment; a city that values the cultural, ethnic, and diverse lifestyles of our residents, businesses and guests.

The City Revitalization & Improvement Zone (CRIZ)

The CRIZ, created by a state law in 2013, is a special zone that encourages development and revitalization in certain sized communities across the Commonwealth. Lancaster is one of two cities to receive the first designations. The CRIZ consists of approximately 130 acres in Downtown Lancaster and in selected areas in the remaining parts of the City. The Commonwealth created the CRIZ to spur community revitalization by allowing certain state and local taxes to be provided to the CRIZ community through the annual reporting and certification process to help finance redevelopment and new construction opportunities.

The focus of the Lancaster CRIZ Program is on the development of vacant and underutilized properties within the City. The CRIZ Act provides that qualified state and local tax revenues may be used for payment of debt service on bonds or loans issued for the acquisition, improvement and development of qualified capital improvements within the CRIZ.

Local Economic Revitalization Tax Assistance (LERTA)

LERTA provides exemptions of property taxes on improvements located in many areas of the City for qualifying projects for up to seven years.

Tax Increment Financing (TIF) Program

Assists in the development, redevelopment and revitalization of Brownfield and Greenfield sites. The program provides credit enhancement for TIF projects to improve market access and lower capital costs through the use of guarantees to issuers of bonds or other indebtedness.

Economic Development Company of Lancaster County and EDC Finance Corporation

EDC and EDC Financing provide Lancaster County businesses with access to state and local economic development incentive financing programs. [www.EDCLancaster.com](http://www.EDCLancaster.com)
