The **August 2019 Member Spotlight** on the [Harvest Moon Bagel Co.](#), presented by Chelsea & Zach Zawisa at the August Merchant Meeting of the DID, sponsored by the [Lancaster City Alliance](#).

Harvest Moon Bagel Company creates bagels from scratch using organic flour. Every bagel is hand rolled and boiled before baking. We strive to use as many organic or locally sourced ingredients as possible. Sourcing local ingredients and using ecofriendly packaging is very important to us. We offer a variety of traditional bagels and spreads along with some more unique flavors. Stop in for a breakfast sandwich, a bagel and shmear or let us cater your next event!
