

A stylized illustration of a city skyline at night. The sky is dark blue with white stars and clouds. On the left, a red building with a dark roof is partially visible, with a green Christmas tree in front of it topped by a yellow star. On the right, a tall, light-colored building with many windows is shown. In the foreground, silhouettes of people are walking: two adults on the left and a family (two adults and a child) on the right. The ground is a dark red color.
